***Stud Contract For:  
CH Blackboots One Too Many REX***

**DOB: 05/14/2021**

**Height: 20in 45lbs**

**Stud fee: \$1500**

**Price will increase with more performance titles**

**Live Cover Bitch owner/leasor will be responsible for the following expenses:**

- Stud Fee: \$1500 paid in full prior to breeding unless other arrangements are agreed upon
- Any and all shipping charges required to send the bitch to HeartStoppin' Australian Shepherds and back to bitch Owner/Lessee
- \$30 for travel to and from IAH Airport
- 5 days board will be free of charge, any days over will be \$12/day
- Any and all expenses related to breeding including progesterone testing or insemination charges that may be required. Direct payment can be made to Josey Ranch Pet Hospital.

***Fresh Chilled Semen Collection/Shipment: Bitch Owner/Lessee will be responsible for the following:***

- Stud Fee: \$1500 paid in full prior to breeding unless other arrangements are agreed upon
- Any and all expenses related to collection and shipment of fresh chilled semen.

**Requirements for consideration:**

- No bitch under the age of 24 months will be accepted.
- For all bitches 24 months and older the following terms will apply:
  - Copies of the following will be sent to the stud dog owner prior to breeding  
Pedigree for the bitch, ASCA and AKC registration, DNA verification for ASCA and AKC, OFA Hip and Elbow certificates
  - Titles of record for AKC and/or ASCA - including championships and performance
  - Brucellosis test done within 4 weeks of the breeding if the breeding is to be live cover

**The stud dog owner agrees to provide the following:**

- In the case of live cover: a safe space for the bitch to be housed (in the stud dog owner's home) where she will be kept confined from breeding to any other animal other than the stud dog listed above and from exposure to communicable disease.
- Copies of pedigree, AKC/ASCA registration, AKC/ASCA DNA verification, OFA hip/elbow certificates, all health clearances performed and title certificates.
- For the purpose of this contract a litter will be defined as 2 or more living puppies

- A breeding back to the stud dog listed above within 1 year will be offered in the event that the bitch does not take or only 1 living puppy is conceived and whelped.
